Fix Rust compilation issues for Windows target	OPEN	HIGH
buildsystemissues:4f8eb5e86460		

build-process Rust scanner compilation fails on Windows seen 2026-06-08 Fix Rust compilation issues for Windows target ✓ Done ▶ WIP ✕ Skip
Install required Windows SDK and development tools buildsystemissues:3584277d867d dependencies Missing Windows SDK dependencies seen 2026-06-08 Install required Windows SDK and development tools ✓ Done ▶ WIP ✕ Skip
Update Cargo buildsystemissues:2570c6ca25c4 configuration Cargo configuration incompatible with Windows seen 2026-06-08 Update Cargo.toml for Windows compatibility ✓ Done ▶ WIP ✕ Skip
Sanitize error messages for user display securityissues:0c6ebd0ef143 security Error messages expose sensitive information seen 2026-06-08 Sanitize error messages for user display ✓ Done ▶ WIP ✕ Skip
Add secure random default for development with warning on startup session2review:a61c3cce3c45 security SECRET_KEY has no default value - will be None if env var not set seen 2026-06-08 Add secure random default for development with warning on startup ✓ Done ▶ WIP ✕ Skip
Create root session2review:34fed1394ad5 configuration No root .env.example for unified configuration across all services seen 2026-06-08 Create root .env.example with all service configurations documented ✓ Done ▶ WIP ✕ Skip
Implement report generation and duplicate cleaning or remove flags session2review:d9a8c19cd809 functionality CLI accepts --report and --clean flags but features are not implemented seen 2026-06-08 Implement report generation and duplicate cleaning or remove flags

✓ Done

▶ WIP

✕ Skip

Make scan recursive or add ?recursive=true parameter

session2review:bc92e70a169

OPEN

MEDIUM

functionality

scan is non-recursive (shonly single directory level)

seen 2026-06-08

Make scan recursive or add ?recursive=true parameter

✓ Done

▶ WIP

✕ Skip

Consolidate to single CHANGELOG

session2review:ecc7df708047

OPEN

LOW

documentation

Three separate changelogs with inconsistent version numbering

seen 2026-06-08

Consolidate to single CHANGELOG.md and archive old ones

✓ Done

▶ WIP

✕ Skip

Connect to real system metrics and historical scan data

session2review:02efdeb86f4b

OPEN

MEDIUM

functionality

mock data instead of real metrics

seen 2026-06-08

Connect to real system metrics and historical scan data

✓ Done

▶ WIP

✕ Skip

Add startup health checks with warnings if services unavailable

session2review:1ee7162cd151

OPEN

MEDIUM

reliability

No startup health checks for AI service and orchestrator dependencies

seen 2026-06-08

Add startup health checks with warnings if services unavailable

✓ Done

▶ WIP

✕ Skip

Create startup scripts (

session2review:bad033a06dd7

OPEN

MEDIUM

devops

No comprehensive startup script for all services together

seen 2026-06-08

Create startup scripts (.bat and .sh) with proper dependency ordering

✓ Done

▶ WIP

✕ Skip

SpaceAnalyzerApp struct has 60+ fields mixing scanning, AI, workflows, DB, embeddings, and UI state

mainissuetracker:e78a38cede46

OPEN

architecture

mod.rs

seen 2026-06-08

SpaceAnalyzerApp struct has 60+ fields mixing scanning, AI, workflows, DB, embeddings, and UI state

✓ Done

▶ WIP

✕ Skip

format_bytes function is independently implemented 5 times with slight format variations (decimal places, TB support)

mainissuetracker:63414d762deb

code-quality

seen 2026-06-08

format_bytes function is independently implemented 5 times with slight format variations (decimal places, TB support)

DoneWIPSkip

matches_cron only supports * and */n syntax - no ranges, names, or special values like L or W

mainissuetracker:2c421f814a8a

functionality

mod.rs

seen 2026-06-08

matches_cron only supports * and */n syntax - no ranges, names, or special values like L or W

DoneWIPSkip

scan_with_progress_sync clones live_files vector and does full sort on every 50-entry progress update

mainissuetracker:e5bd1a8bf832

performance

lib.rs

seen 2026-06-08

scan_with_progress_sync clones live_files vector and does full sort on every 50-entry progress update

DoneWIPSkip

Async scan_with_progress acquires Mutex on every single file processed

mainissuetracker:2f8d28a2114b

performance

lib.rs

seen 2026-06-08

Async scan_with_progress acquires Mutex on every single file processed

DoneWIPSkip

total_files is u64 in shared_scanner::ScanResult but use in gui_common::ScanResult requiring constant conversion

mainissuetracker:625da3bb4d51

code-quality

+ gui_common.rs

seen 2026-06-08

total_files is u64 in shared_scanner::ScanResult but use in gui_common::ScanResult requiring constant conversion

DoneWIPSkip

FilePatternClassifier::classify_file uses Option::is_none_or which requires Rust 1

mainissuetracker:647a77b1db0f

compatibility

offline_ai.rs

seen 2026-06-08

FilePatternClassifier::classify_file uses Option::is_none_or which requires Rust 1.82+ while project declares edition 2021

	✓ Done ▶ WIP ✕ Skip
Two independent file categorization systems with different categories (12 vs 14) and divergent mappings mainissuetracker:8e4f72b26717 architecturelib.rseen 2026-06-08 Two independent file categorization systems with different categories (12 vs 14) and divergent mappings ✓ Done▶ WIP✕ Skip	OPEN MEDIUM
shared-scanner directly imports gpu_compute creating compile-time coupling between CPU scanner and GPU backend mainissuetracker:58e6c17bd690 architecturelib.rseen 2026-06-08 shared-scanner directly imports gpu_compute creating compile-time coupling between CPU scanner and GPU backend ✓ Done▶ WIP✕ Skip	OPEN HIGH
Mixed error types: anyhow::Result in shared-scanner, rusqlite::Result in DB, OllamaResult in ollama, String in main mainissuetracker:f0948e054ebb code-quality⇐ seen 2026-06-08 Mixed error types: anyhow::Result in shared-scanner, rusqlite::Result in DB, OllamaResult in ollama, String in main.rs CLI ✓ Done▶ WIP✕ Skip	OPEN MEDIUM
Permission denied and metadata errors are collected into result mainissuetracker:b4f4a55841ce error-handlinglib.rseen 2026-06-08 Permission denied and metadata errors are collected into result.errors but never surfaced to the caller or UI ✓ Done▶ WIP✕ Skip	OPEN MEDIUM
Core dependencies (serde, tokio, chrono, thiserror, anyhow, regex, walkdir) listed in both [workspace mainissuetracker:46f5d466bda9 build-&-deploymentCargo.tomlseen 2026-06-08 Core dependencies (serde, tokio, chrono, thiserror, anyhow, regex, walkdir) listed in both [workspace.dependencies] and plain [dependencies] ✓ Done▶ WIP✕ Skip	OPEN LOW
